■ = Provisional Layer Out. Max 3 Layers Out / trial while "training" underway. **VOLUNTEERS REQUIRED for Future MROC trials !!**

\$\$ = Event doesn't count toward MROC League

= Final League Position will be decided based on total of **Best 8** scores throughout the year
 Eg if you attend 11 events, worst 3 scores are not counted (Ignored scores highlighted in **Blue**).
 If you attend 8 events or less, all scores are counted.

No League positions / trophies unless a driver has laid-out an event & competed during the year (Ref the MROC RTV SRs)

Red = points for laying out / marshalling (10 for 1st time laying out, 8 for 2nd time or marshalling).

Pts only count towards the League results if the driver competes during the year.

NB : If you spot any errors, please contact Paul Muir for corrections !
