** = Overall winner after tie with Ben Benson on 79 points after Best 8 scores, but winner based on slightly higher qty of clears (45 vs 42 !)

■ = CoC / Layer Out. Max 3 Layers Out / trial while "training" underway. **VOLUNTEERS REQUIRED for trials next year !!**

\$\$ = Event doesn't count toward MROC League

= Final League Position decided based on total of Best 8 scores throughout the year

Eg if you attend 11 events, worst 3 scores are not counted (Ignored scores highlighted in Blue). If you attend 8 events or less, all scores are counted.

No League positions / trophies unless a driver has laid-out an event during the year (Ref the MROC RTV SRs)

Red = points for laying out / marshalling (10 for 1st time, 8 for 2nd time).

Pts only count towards the League results if the driver competes during the year.

NB : If you spot any errors, please contact Paul Muir for corrections !
