= Provisional Layer Out. Max 3 Layers Out / trial while "training" underway. **VOLUNTEERS REQUIRED** for Future MROC trials !

\$\$ = Event doesn't count toward MROC League

= Final League Position decided based on total of **Best 5** scores throughout the year

Eg if you attend 11 events, worst 6 scores are not counted (Ignored scores highlighted in **Blue**).

If you attend 5 events or less, all scores are counted.

No League positions / trophies unless a driver has laid-out an event & competed during the year (Ref the MROC RTV SRs)

Red = points for laying out / marshalling (**10** for 1st time laying out, **8** for 2nd time or marshalling).

Pts only count towards the League results if the driver competes during the year.

NB : If you spot any errors, please contact Paul Muir for corrections !
